WHO ARE TULLETT PREBON INFORMATION?

TULLETT PREBON INFORMATION (TPI) ARE THE LEADING PROVIDERS OF INDEPENDENT REAL-TIME PRICE INFORMATION FROM THE WHOLESALE INTER-DEALER BROKERED FINANCIAL AND COMMODITY MARKETS.

We are a wholly owned subsidiary of Tullett Prebon plc, a fully diversified inter-dealer broker with leading positions in global fixed income securities, money markets, capital markets, equities, energy, credit and associated derivatives products. Tullett Prebon operates in more than 20 countries, with over 200 desks and 1600 brokers globally, and is our principal source of information. Our independent pricing is unbiased, non-position influenced and we have an unrivalled track record in innovation.

Tullett Prebon are a multi award-winning inter-dealer broker, voted as Best Broker in various categories in FX Week's Best Banks Awards for the past eleven years. Tullett Prebon were the first international inter-dealer broker to be issued with a licence to broker OTC markets in China.

WHAT DOES TULLETT PREBON INFORMATION DO?

We provide independent and impartial pricing across the full range of financial and energy sectors, and their related derivative markets. By utilising the price flows generated by Tullett Prebon's brokerage areas and using our own pricing team, we are able to offer the most comprehensive coverage of the global OTC markets. Our impartial pricing sources, resilient technology infrastructure and choice of delivery options ensure that you always have a competitive edge.

WHAT DATA IS PROVIDED BY TULLETT PREBON INFORMATION AND HOW DOES IT BENEFIT OUR CLIENTS?

Our inter-dealer broker prices are available to support business applications at all stages of the investment process. While we are established as market leaders in the front office, our data is increasingly being used in areas such as pre-trade analytics, risk management, mark-to-market and algorithmic trading.

Our historical, end-of-day, intraday and real-time data is available either directly or via third party channels. Whatever your OTC content demands are, we have the flexibility to meet your needs.

The data we provide covers the full OTC content spectrum and includes the following asset classes:

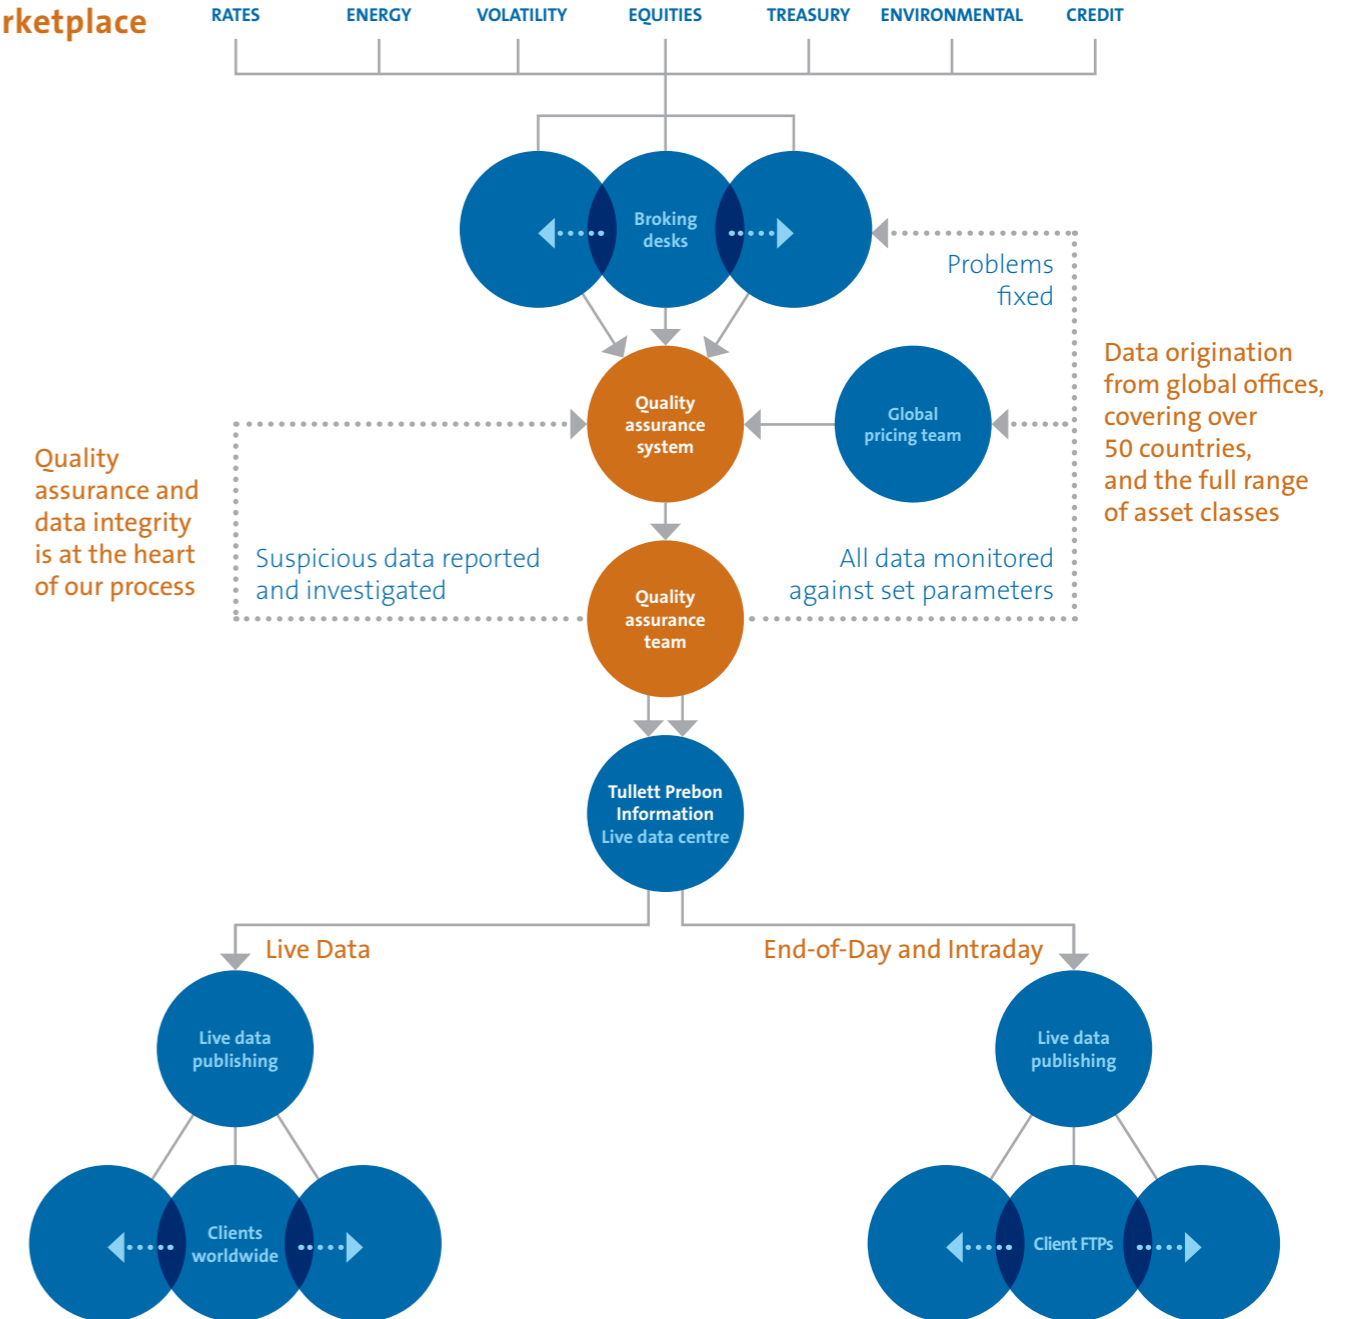

- Rates
- Fixed Income
- Money Markets
- Volatility
- Energy
- Economic Markets
- Precious Metals
- Credit Markets
- Property
- Environment
- Equity Markets
